Treaty Lands, Treaty Debts and Government Reps – May 5th Meeting Loaded with Information

On May 5th, the Treaty Society will host its annual assembly. There are many items on the agenda (see page 2) including an update on the Incremental Treaty Agreement. Much progress has been made and we look forward to telling you more. We will also provide information about the treaty table and negotiations, including Canada's decision to fully fund treaty negotiations so that we no longer incur a debt to negotiate. Finally, both Canada and BC negotiators will attend and each will give a presentation on negotiations at our table, followed by time for you to ask questions. Come and hear about these and many other important things happening in treaty. Register with Dani at the treaty office, 250-287-9460.

Spread the Word: Travelling to the Assembly
